To whom it may concern,

I have known Mr Mario Corrallo and the company Eurogloss for more than 5 years.

During this time Mario has provided an excellent service maintaining my cars and the staff's cars in a superior standard.

The quality of Mario's work, his attention to detail, his care and his end product are unique and unparalleled.

One of my own cars was sold for more than the market value after Mario had attended to it.

I do recommend Eurogloss and Mario for car detailing to everyone, the superior quality is a standard.

For any queries please do not hesitate to contact me.

Yours sincerely
