Mr M Corallo
Eurogloss Prestige

Good Morning Mario,

WOW! is my car fantastic

When I first spoke to you about my vehicle I was somewhat dubious about your ability to restore the vehicle to its showroom condition, after all the car is 8 years old and has suffered all the ravages of normal motoring and the paintwork and interior were somewhat the worst for wear.

But when I look at the car now I can't believe it is the same vehicle. You have done a sensational job in washing, polishing and detailing the car to the extent that it now looks as good as when it was brand new.

Many Thanks.
