Eurogloss Prestige Automotive Detailing

Good Morning Mario,

### **I just wanted to say thank you!**

I can't begin to tell you how good I felt when I hopped into my car in its pristine condition after your expert detailing of it. It was as if the car had been returned to showroom condition and driving it was just fabulous.

What impressed me tremendously was the professional manner in which you went about the task and I was quite thunderstruck by the attention to detail that you gave the job. I was amazed to see the equipment you used to ensure that you can deal with every little blemish to get the car looking just fantastic.

I've always hated cleaning cars and to have mine so good and so polished is just an amazing experience.

Mario I would certainly recommend you to anybody who wants to see their car looking brand new. Thank you once again for such a great job.

Yours sincerely
