WORLD-WISE TRAVEL

22nd October 2012

Dear Mario,

Just a short note to tell you how pleased I am with the results of your work on my XJS Jaguar. I have owned the car for 19 years, but it has never looked as good as it does now since you gave it the "Mario touch". Your attention to the smallest detail, meticulous approach and extensive knowledge yielded results that were beyond what I thought were actually possible. The stunning rejuvenation of the paintwork is something I thought could only be achieved by a complete respray.

Thanks again, and thanks for tips on washing and maintaining the paintwork for the future.

Regards Mick Potucek
