

Dear Mario,

I would like to say that, I am very pleased with the work you have done to my **2010 Volkswagen Golf R Black.**

You have educated me through each step that you have taken on my vehicle, being upfront and transparent with your work.

The time and the attention that you have put onto this vehicle and the final finish, I will be happily have you detailing future cars of mine.

As plastiDip was not an easy substance to be removing, you have done a great job on detailing the vehicle.

Would like again, to say thank you for your great job on my car as I am VERY happy with the results.

Kind Regards,

Peter
